Hello, I am Betsy. I'm from Australia. I study at Hemingway Secondary School. My favorite school subject is music. I'm skilled at singing. We have a music band at school, and I play the guitar and sing there. People think that I'm a good singer. I'd like to be a musician because I love singing. The things that interest me are singers and songs. My favorite singer is Katy Perry. She is very popular all over the world. I love her voice and the rhythm of all her songs. They are wonderful. I spend most of my free time listening to new songs in my room. I spend most of my money on CDs and smartphone applications about music because I'd like to learn more about music, but we live in the countryside, and we can go to concerts only a few times a year. I start the day at 6:30 a.m. and feed the chickens. I have breakfast and then walk to school at 8:00. When I arrive home, I help my dad feed the sheep. I also help my mom prepare the dinner. After dinner, I go to my room and do my homework. We sometimes go to the city center on weekends. I like it most when my parents take me to the city center for watching concerts. My favorite place in the city center is the concert hall. It's an excellent place. I hope you can watch my concerts there one day.
