Hello. I am Zhang. We live in China. I am always in a hurry during weekdays. My mother wakes my brother and me up at 6:00 every morning. I brush my teeth, and I wash my hands and face. Then, I get dressed for school. After I have breakfast, my mother takes us to school. Lessons start at 07:30 and finish at 14:45. After school, I join the activities of the movie club and language club. We learn Spanish and watch movies. Comedies are my favorite. I don't exercise on weekdays. I think I am too lazy. I come back home at about 5:00 in the evenings, and I help my mom to prepare dinner. After we have dinner together, I do my homework and read a book. Then, I surf the Internet and chat with my friends online and share photos on social media. I go to bed at about 10 p.m.

5 Read the activities of the teenagers. Then, write their names under the pictures.

I follow after-school activities from 3 o'clock to 5 o'clock in the afternoon. We do sports.
